AOB

1. Weekend away. The proposed dates are either last weekend of September of first weekend of October. **Cath** has contacted Kilcreggan House and will report back on costs and availability.

2. Copy needed for the Big Lit Programme who have confirmed that date of May 5th for a performance in Gatehouse. **Pat** to write and **Su** to find photos.

3. Song cycle CDs still exist in great number and it was agreed that the quality is not very good and therefore they should not be put on sale. The accompanying booklet can be made available at The Hive for a very small charge. **Lorna** will return her stash to Moniaive.

4. Posters have been prepared for the forthcoming concerts but are not in the possession of the committee. They need amending as one of the dates (which was not confirmed at the time they were prepared) is now confirmed as June 15th. **Su** to chase up and **Deirdre** to enquire about payment to the designer.

Suggested date for the first committee meeting Monday April 2nd but this can be changed by the new committee. Proposed that all meetings should take place in the Institute if possible.
